Become A Partner Donation Form

Clients have continued to increase this year.
We are servicing 40 to 60 families per day.
We respond to each family individually to meet specific dietary needs.

We are NOT GOVERNMENT or UNITED WAY FUNDED. We operate on individual and company donations of food and funds.

- We work as advocates on behalf of the clients.
- We offer budget counseling and nutrition information.
- We work in co-operation with other local agencies and food banks nation wide.

Our goal is to see people self-sufficient, but your help is needed in the interim.

Volunteers Make the Difference!

Without thousands of volunteers supporting the operations of the Guelph Food Bank, food would never reach those who need it. Some volunteers donate their time on a regular basis, others are on call or are ready to appear at food drives and special events, and still others simply drop in when they have a spare hour or two to help. Volunteers over the age of ten are welcome, and we have jobs for all ages and capabilities. We simply could not operate without their care and dedication.

Volunteers are always needed to help:

- Donating Food
- Organizing a Food Drive
- Making Cash Donations
- Assisting During Food Drives
- Becoming a Warehouse Volunteer
- Help in the Clothing Exchange
- Assisting With Special Events
- Becoming an Office Volunteer
- Sorting and Stocking Food
- Picking Up Donations
- Help Out At Noah's Ark Childcare
- Joining "Become A Partner"

How To "Become A Partner"

Would you like to help us to help others? The need is great and increasing. The funds are limited. Become A Partner by donating to help meet the costs for general operations, printing materials, meat purchases, self help programs, and the list goes on.
